

REMARKS

The Specification and Claims 53, 55, 57, and 70 have been amended to correct the wording "bit diffusion junction" as directed by Applicants. The wording has been corrected to read "diffusion junction" when it means p-n junction under a control gate and "diffusion" when it means diffusion area between adjacent control gates.

All Claims are believed to be in condition for Allowance, and that is so requested.

It is requested that should the Examiner not find that the Claims are now Allowable that he call the undersigned at 765 4530866 to overcome any problems preventing allowance.

Respectfully submitted,

A handwritten signature in black ink, appearing to be "SBA", written over the printed name.
